Spread the word to your scouts, scouters and their families.

Cub scouts must adhere to the Guide to Safe Scouting which states, "Family camping: an outdoor camping experience, other than resident camping, that involves Cub Scouting, Boy Scouting, Venturers or Sea Scouts program elements in overnight settings with two or more family members, including at least one BSA member of that family." All units can pre-register with Ron Russell (**no reservations through Lakewood Campground will be accepted**).

We will take part in the BEACH SWEEP/RIVER SWEEP by cleaning several sections of the beach and inland. Discount activities **ONLY** for group campers are available Friday night. The cost will be: \$50.00 per site per night plus \$2.00 per patch. Patches will be available at check in! We suggest 8 campers per site. **All participants (both adults & youth) must camp & register with a unit. Unit leaders are responsible for all registration. Please use one check &/or cash to register each unit.**
